

Several Simple Gouty arthritis Treatments

For many years, those red delicious cherries we all love have been thought to assist control and decrease **gout signs** and symptoms. Over 50 years ago a doctor known as Ludwig Blau stated introduced a cure for one of many oldest conditions known to man, **gout** signs and symptoms. Doctor. Blau suggested that consuming about 8 cherries a day would treat gout. Though many considered Blau discovered the cure for **gouty arthritis**; he has been wrong. Currently there is no cure for gout. Nevertheless, modern research studies have shown that Blau was correct with his cherry solution. We now know that cherries contain anthocyanins that have anti-inflammatory properties that work in the same way NSAIDs perform.

- Other words, cherries work to reduce the irritation that causes gout pain by reducing your **uric acid** that causes gout.
- Along with cherries are usually much better than NSAIDs because cherries cure the cause of gout.
- And NSAIDS only handle the symptoms (swelling).
- However, many gout afflicted individuals have found that eating as much as 40 cherries isn't really the most convenient cure.
- And today researchers believe that cherries aren't the sole **gout cure** that works.
- The very best Treatment for **Gout Gout** once was thought to be caused by an unhealthy diet and excessive alcohol.
- It was sort of true but there are lots of other causes as well.
